Our Goals

- To provide excellent police services to the Greenwich community.
- To create partnerships that foster better Police/Community relations.
- To support and enhance the professional abilities of the men and women of the Greenwich Police Department.

The Greenwich Police Silver Shield Association supports the **ALS Tri State Trek** each year to honor our friend, the late Sergeant Roger Petrone.

We are proud sponsors of many youth sports programs in our community, including

Greenwich High School Athletics.

We partner with agencies like, **YWCA Greenwich, Greenwich Boys & Girls Club, Kids In Crisis** and the **Greenwich American Red Cross**

to have positive impact on our community

We provide college tuition scholarships to the children of our men and women in blue and extend medical compensation for officers who fall ill or injured.

The Silver Shield partners with the Greenwich Public Schools awarding a new bike to a student who has worked to improve the community.

If you can support or donate a bike to the **Bicycles for B's Program**, please call 203-869-9519 or email SilverShield@gmail.com to arrange for the donation.

We speak to high school students about **Click it for Cassie**. This program educates teen drivers about the critical importance of wearing seatbelts.

The Silver Shield Association provides custom fitted bullet proof vest to **EVERY** new Greenwich Police Officer.

Silver Shield Association members are **Youth Mentors** in Greenwich Public Schools.
